## FAQ's

### About Class: (IN PERSON)

Q: How many hours is class?

A: 30 hours.

Q: What if I miss a day?

A: You will need to make it up in another session.

Q: Do I need a Driver's manual before class?

A: No, we will provide one on the first day of class.

Q: What percentage do I need to get in class to pass?

A: 80% or more.

### About the Permit:

Q: When Can I get my permit?

A: A permit can be obtained if:

- You are 15 years old;
- Your Drivers ED is paid in full;
- It is less than 21 days before class starts.  
(In- person only)
- You pick-up a CDE form at Precision Driving's office.

\*Getting your permit before start of class is not necessary. You only need it before starting your drive times.

Q: Where do I get my permit?

A: At the BMV

Q: Do I have to take a written test at the BMV?

A: Yes, the class is designed to help you prepare for the test.

Q: Will I have to take the written test again to get my license?

A: No.

Q: When can I start scheduling drive times?

A: Once you have your permit and class has started.

\*See other info sheet for more information.

Q: How many hours do I need to drive before I get my license?

A: 40 day hours and 10 night hours.

\*See info about ROADREADY

Q: How many drive lessons do I get and how long are they?

A: You complete 6 lessons and they are 1 hour long each.

Q: Does my 6<sup>th</sup> hour include my drive test?

A: No.

Q: Can I take my test with Precision?

A: Yes, there is an additional \$30 fee.
